Re: Power Purchase Agreement between Duke Energy Progress, LLC and Whitetail Holdings, LLC
Docket No. 2020-158-E

Dear Ms. Boyd:

By Order No. 2020-499 issued July 22, 2020, the Public Service Commission of South Carolina (the "Commission") accepted for filing the Power Purchase Agreement ("PPA") between Duke Energy Progress, LLC ("DEP" or the "Company") and Whitetail Holdings, LLC ("Whitetail" or the "Seller"). The Commission's order also granted DEP's request for confidential treatment of certain provisions of the PPA.

DEP hereby submits for acceptance by the Commission the attached Amended and Restated Power Purchase Agreement ("Amended PPA"), executed by the Company and Whitetail on January 12, 2021. Due to the commercial sensitivity and proprietary nature of certain portions of the Amended PPA, DEP respectfully requests that the Commission find that pursuant to S.C. Code Ann. Regs. 103-804(S)(2) and S.C. Code Ann. § 30-4-40(a)(1), certain provisions of the Amended PPA are exempt from disclosure under the Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 *et seq.*

The information contained in the Amended PPA for which DEP seeks protection derives economic value from not being generally known to, and not being readily ascertainable by proper means, by other persons who would be able to obtain economic value from its disclosure. Disclosure of this information would reveal confidential pricing and conditions, which are proprietary and specific to this counter-party. Moreover, the information for which DEP seeks protection is the same information for which the Commission granted confidential treatment in the original PPA in Order No. 2020-499.

The Honorable Jocelyn G. Boyd

Accordingly, the Company respectfully requests that it be permitted to file the confidential version of the Amended PPA under seal and maintained as confidential pursuant to Order No. 2005-226. Attached with this letter is a redacted version of the Amended PPA that protects from disclosure the commercially sensitive and proprietary information, while making available for public viewing non-protected information. Additionally, we are hand-delivering a confidential version of the Amended PPA to the Commission and providing an electronic copy to the Office of Regulatory Staff.

Sincerely,

Rebecca J. Dulin
